ESTATE OF ALEXANDER ROSS.

To his Excellency the President and the Honourable the Supreme Executive Council of Pennsylvania.

The Petition of Mary Adams of Pittsburg humbly Sheweth That her former Husband, The late Col. Eneas Mackay, some years before his decease, became possessed of the Books and papers of a certain Mr. Alexander Ross at that time a Citizen of Pennsylvania, containing accounts and credits to the amount of between four and five thousand pounds, Exclusive of Landed property which was also very considerable.

That as soon as she had information of Mr. Ross being Proscribed by the Laws for his Treasonable proceedings against it She immediately embrased the earliest opportunity of giving such information as the Law direct to the Agents for the County of Westmoreland of that part of his property then in her possession as will appear by some Vouchers herewith Transmitted.

That in consequence of this information the agents call'd upon and received of her the whole property she taking a rect. for the same and which was then considered to be of a Valuable nature, consisting chiefly of obligations and settled accounts with many Reputable Persons that it appears to her that this business has been conducted in a dark mysterious and confused manner in pasing thro the Hands of the several agents who have been successfully appointed and that she never could, upon application to any of them have the least satisfaction upon the subject.

That she is very certain of several sums of Money being received by them and a presumption of Mr. Huffagel having

sometime considerable, as the business appeard to have finally rested with him and he appearing very active in the prosecution of many of the debtors.

That your Pettitioner conceives she is justly intitled to such compensation as the Law directs for her Fidelity and care in discovering such a Valuable Estate. Wherefore she humbly Prays that your Honorable Body will take the Premisses into consideration and direct such inquiry into the Transactions as will do justice to the Government and your Pettitioner, and she is duty bound will Pray

Personally appeared before me the Subscriber one of the Justices of the Peace for the Commonwealth aforesaid John Donne and being duly sworn doth depose that he kept the Books of Alexander Ross at Fort Pitt from January 1769 to June 1772. constantly in his charge, that at Sundry Periods afterwards he also posed & revised said Books till in Midsummer 1773 at which last period he firmly believes the said Books were regularly stated and particularly that a Considerable sum, not less than one thousand Pounds Stirling was then due to the said Alexander Ross by John Ross of Philadelphia, which to the best of his recollection appeared at that time clearly so Stated on said Alexander Ross's Books and further saith not.

MR. JNO PROCTER

To his Excellency the President and the Honorble the Supreme Executive Council of Pennsylvania

The Petition of Mary Adams of Pittsburg Humbly Sheweth.

That her former Husband, late Col. Eneas McKay some time before his decease became possess'd of Books Bonds Notes &ca the property of Mr. Alexr. Ross (then a citizen of Pennsylvania) to a very considerable amount. Mr. Ross at the time of puting his property into the possession of Mr. Mc kay gave him and a Mr. Russel full power to Transact his business while absent—Mr. McKay dying the year following the Book & Ca. remained in possession of your petitioner. That as soon as information of Mr. Ross's being proscribed arriv'd at Pittsburg—your Petitioner not being acquainted with the regular mode required by Law for giving information took the most early and readyest way she could devise by informing Mr. John Proctor one of the agents appointed by Council for Confiscated property in the County of Westmoreland informing him in two Letters both of which was within the time limited by Law of a Considerable property of Mr. Alexr. Ross a proscrib'd person being in her possession requesting him to act as the nature of the case required, not receiving an answer to either Letter she wrote him a third but receiv'd no answer. She then was advised to write to Council on the subject which she did, nothing was done in the business for some years altho. she had repeatedly inform'd Gentlemen in power of the whole transaction—At length Mr. Gallbraith and Mr. Huffnagle, the then agents for confiscated property received orders from Council to take the whole property into their possession, on their receiving the property they gave your Petitioner a Receipt for it.

That your petitioner conceives she is justly intitled to such compensation as the Law direct for her fidelity and care in discovering such Valuable Estate. Wherefore she humbly pray that your Honorable Body will take the premisses intc Consideration and direct such inquirey into the Transaction as will do equal to Government and your Petitioner and she in duty bound will Pray.

I do Certify that during the time that I acted as agent for the County of Westmoreland in the business of Confiscated Estates, that I Received three Sundry letters from Mrs. Mary Adams (late Mary McKay of Pittsburgh) giving information of the Books Papers & estate of Alexander Ross then a Proscribed Traitor to the State of Pennsylvania—That having lossd or misslaid two of the said Letters I only find the last wrote one now in my possession which is without the limits given by Law for giving such information; But that it is my appinnion & belief, that either one or both of the said letters so lossd or misslaid, was fully within the time limitted by Law upon that occasion given under my hand this 6th of January 1790

JOHN PROCTOR.

Pittsburg Jan. 20th, 1791.

May it please
your Excellency

Alexander Ross formerly a Resident of this county, left it at the Commencement of the War and left behind him a considerable property which consisted in lands Bonds and Book Debts.—In Consequence of his being an Enemy to America he was proscribed by Lane and his Estate confiscated—previous to his Embarkation for Europe he deposited into the hands of Colo. Encos McKay all his valuable papers giving his full power to act for him.—Some time after Mr. McKay Died being in the service of the United States, his widowed Mary my now Mother-in Law, then took charge of said papers—As soon as she heard that said Ross's Estate was forfeited and that this State would receive advantage by knowing what she had in her possession of his she gave immediate Information thereof to persons properly authorized to receive such information and that within the limited Time Directed by Law. All the papers relative to this tion, together with Mr. McKays Peition were laid before the Honble Council long ago and lately put into your Excellency's hands by Doctr. John Wilkins one of that Honble Body for this County—Council has been pleased to give said petition one Reading and laid it on the Table nothing more seems to have been done respecting the same.—

Your Excellency will see by those papers that this business has been procrastinated for a considerable Time, the reason thereof is best known to that Respectable Body who I am satisfied will do what is Right in the End. I have only to add on this Subject that I know your Excellency's principal Delight is in doing good, and that your Love of Justice extends as well to Individuals as the Publick, and that if on examining said authentick vouchers your Excellency finds the Petitioners claim founded in Justice you will favor the same and bring it to a speedy Issue and not otherwise.

Permit me now Just to add my sincere congratulation on your Re-appointment to be our Governor. Long may your Excellency Fill the Seat of Government and Enjoy the Blessings of Health and Peace is the Real wish and prayer of your Excellency's faithful Friend and most obdt. hble. servt.

STEPHEN BAYAN

His Excellency
Thomas Mifflin, Esqr.

Pittsburg, 28th July 1791

Sir

My son in law Col. S. Bayard informed me that he had received a Letter from your Excellency lately in answer to his respecting the Confiscated property of Alex. Ross which I gave information of your Excellency was pleased to observe that the largest sums due to that Estate were settled previous to Ross's attainder and none but the small sum of three pounds 9-8 appeared unsettled.

As I gave the first information respecting this forfiture I still think it my duty to give such further information as comes within my knowledge and which I can fully prove if called upon in a proper manner.

I beg leave therefore to mention to your Excellency that several sums of money have been received by the late commissrs. and not accounted for to the public. And many sums in this neighborhood yet unpaid one of considerable amount (about 800 £) due from the Estate of the Deceased Genl. Thompson, This was never settled or paid agreeable to the declaration of this Expect rs. his son George and Mother.—

Mr. George Thompson has lately advertized all his Landed property for sale and preparing to goe down the river next fall. This debt may be worth looking after before he goes.

I would not wish to dictate to your Excellency but would just observe that if a proper person was appointed in this County to look into and make a thorough examination into

this Estate I think that the State of Pennsylvania would receive an advantage thereupon.

Some of the Commissrs. appointed were indebted to this Estate and therefore I apprehend were careless about bringing it to a close.

From these few broken hints your Excellency will judge of the best method to be pursued to get a true and just statement of this forfeited Estate.

I am with the utmost respect

Your Excellency's most humble servt.

MARY ADAMS.

ESTATE OF ANDREW ALLEN.

Reading February 24th. 1779.

Honoured Sir:

We are sensible That the Honourable Council ought to have been furnished with this Report a Considerable time past, and although we wish'd to have Complied with that duty, we were not withstanding prevented by Col. Pattons Conduct, Who repediately applied to Rent the Great Spring Tract an Estate belonging to Andrew Allen late of the City of Philada From whom said Patton had formerly rented as will appear by the Inclosed Lease fourteenth of May 1768.

But he has not build the Barn nor Cleared the Quantity of Meadow Specifyd in said Lease.

On the first day of November last, said Patton agreed before Evidence To take said place as is sat forth, in the lease of the same date, and as but one Lease was then Drawn, the Agents as the were met to sign the one finished, and he would the first time he Come to Town Sign the Counterpart, we accordingly Signed to him, but he afterwards Neglected from time to time, and when prest Refus'd saying that it was not Certain that the Place was forfeited, We have Examined the Records of this County, but find no Conveyance from William to Andrew Allen. All the Proofs we have been able to Collect is the lease from Andrew Allen to Patton witness'd by his father, and Colo. Daniel Clymer had heard Andrew Allen say. that his father had given him the Estate.

We have reason to apprehend that Patton will Refuse a Compliance to the inclosed Lease in every Respect, he has since Advertised a sail of hay on the Place, And said that if

Dear Sir:

Inclosed we Send You Some Inventories & appraisements. of forfeited property.

Very little Goods, or Chattle Can be found belonging to Joseph Galloway: from the best accounts we can collect it

appears after Mrs. Galloway was moved to Philadelphia last Winter, the people from Bristol & Burlington, came and took away what was left—which we are told, they Sold at public Sale—and divided the money—the Mantion House they have—Wickedly abused—broke the Window-Sashes, and Glasses—striped the Inside of everything that was loose—and carried away all the Irons from the Seller Windows—House Windows & Doors—Also—the Barrs of Iron from the office Doors and Windows.

One Mare and Colt the property of Joseph Galloway was found in the possession of Thomas Jinks of Middletown Township which he says he Baught from one Jones who it appears was Galloways Overseer—the Mare was Discovered to us by one Mr. Daniel Cannedy of Bristol—Several evidences more can be had to prove them to be Galloways property—We should be glad to know if any thing further is to be Done with Jinks.

There is several persons of property in this county who have held office under the King of Grate Britain that have not taken the oath of alegiance agreable to the Act of Assembly of this State, and Still continue without Molistation in the possession of their property—which they use, sell and apropriate, to what purpose they please, we would be glad to know weither such persons comes—Under our Notice or not—we Conceive no powers is given us, either from our Instrutions, or from the Law, Under which we act, to take Notice of them.

We also Inclose you Coppies of our Sertificots Sertifying we have taken the oths Required by law.

We Remain Sir With Cincear Respect Your Most obedient Servants,

Case for the Opinion of the Attorney General.

1—James Meredith's Will dated the 3rd. Feb. 1774, executed were issued the 16th. of Feb. 1775. to Thomas Meredith the before the Register of Bucks, and Letters of administration in the presence of 3 witnesses proved the 16th Feb. 1775. sole executor.

2—John Meredith the Testators son in the Will named was attainted by Proclamation dated the 7th of July 1780; and his estate in a certain property, under the Will, was sold by order of the Executive Council to Adam Melchor; in the following manner and form.

(3) The estate forfeited and sold is thus described in the will (a copy of which is annexed.)

4—The estate in question never was sold by the executors, according to the directions of the Will; and Adam Melchor the Purchasor under the State applies for a deed: Difficulties, however occur to the Governor Which induce him to propose the following questions for the opinion of the Attorney General.

5—What estate had John Meredith in the premises, & how should the same be Conveyed to Adam Melchor?

6—Whether it is incumbent on the State, to direct any survey, or partition of the premises before making the conveyance; and, if so, which party, the public, or Adam Melchor, must bear the expense?

Dear Sir—

I have examined the Will of James Meredith & it appears to me, that John Meredith took an Estate Tail in the Messuage & Tract of Land in the township of New Britain, County of Bucks, & of course that the Title of the Commonwealth continues as long as there are Issue of John, who was attainted, that are inhentable to the Estate Tail.

The Messuage & Tract in Lower Merion Philadelphia County the Testator directs his Executors to sell & to give his son John one fourth part of the proceeds.

This is a charge upon the Land & such right as John Meredith had, the Commonwealth may convey I am not informed whether the Executor has made the Sale, but at all events there does not appear ever to have been an indeferible

estate in John & therefore none such can be desired under him to the State.

JOHN CARR.

My friend

I have been Just now informed from good authority which I believe to be true, that Coogler had a large store of wheat concealed in his garret while the money was in Philadelphia and that the tories brought it there in the night—his House has been a Continual Rendesvous for tories, Refugees and Deserters ever Since the war, and it is my opinion he now holds

a Corrispondance with the enemy, his Ferry and his Boats ought to be taken from him, as he does a Deal of Mischief a Crossing Disaffected People over in these times he is a Person whose general Conduct has been an enemy to the States as well as many of his neighbors.

ESTATE OF FRANCIS AND WILLIAM ARMSTRONG.

Having considered the Petition of John Bryce respecting a moiety of a tract of Land forfeited by the attainer of Francis and William Armstrong and purchased and afterwards conveyed by the said John Bryce to John Nicholson Esquire— I am of opinion that a deed ought to be made to Mr. Nicholson in the usual form wherein the attainder of the parties is recited and all their Estate title and interest in & to ye land is conveyed without inserting any clause to warrant it free from dower or other incumbrances. The charge of £10 pr. Annum which is supposed to be a lien on this land I apprehend will not effect the purchaser and that the Widow can recover it only by a claim against the Commonwealth—and even if he should be evicted in whole or in part by any paramount title he will have a recompense agreeably to the direction of the act of 29th March 1779.—

WM. BRADFORD Jun.

Philad. Feb. 15th, 1790.

The Committee to whom was referred the Petition of John Bryce with the letter from John Nicholson Esq.

Report

That John Bryce become the Purchaser of an undevided moiety of Abstract of land in Sadsbury Township Chester County forfeited by the attainder of Francis, and William Armstrong, that said Bryce has paid the Commonwealth for the Same, and Since Conveyed his letter to John Nicholson Esqr. that it appears by the last will and Testament of the late father of the Said two Armstrongs, that their mother, and the widow of said testator has an Annuity of ten pounds as a dower out of said Estate, and that it appears by the Certificate of one of the Agents for forfeited estates, in Chester County that Said moiety was not Sold Subject to any such Annuity, or incumbrance whatever.

The Committee are therefore of opinion that it is out of the power of this board to refund the money that has been paid or give any relief against the annuity, as the estate was held without any reserve or mention made of Such incumbrance, that the tittle of the Purchaser ought not to be elected thereby Resolved

That a deed be made in the usual form to Nicholson Esq. for one moiety of Abstract of land in Sadsbury Township, Chester County forfeited by the Attainder of Francis, and William Armstrong, and sold by the commissioners for the Sale

of Confiscated Estates to John Bryce and by him Since conyeyed to said Nicholson.

Sir,

I beg leave to represent to your Excelly. and the Honble the Members of Council, that on the 23d June 1787. I paid John Bryce the sum of £75 in Depreciation Certificates for an undivided Moiety of A tract of land in Sadsbury Township Chester County contg. 177 a. 146 p. & allowance, as per the draft of the same herewith that said Bryce had purchased the same at public vendue the 29th April 1786 from the State of Penna. by their Agent of forfeited Estates, by whom the same was sold as the property late of Francis & William Armstrong Attainted, and forfeited by their Attainder, for the Sum aforesd. payable in the Certificates aforesd. which he did pay according to the terms of Sale as per the Agents receipt herewith, that some difficulty arose which induced sd. Bryce to make Application to the Supreme Executive of the State for to have his certificates returned that before order was taken therein he was under the necessity of leaving this place—that in this situation I advanced to him the money he had paid and Interest and took his conveyance herewith also, said before you, Assurred either that a deed would be granted to me therefor According to the terms of the sale or that Council would order the purchase money to be returned to me which had been recd. into the Treasury, or an equal Sum—That I have procured a copy from the register of the will of the late father of the sd. two Armstrongs by which the said moiety was devised to them, which is herewith also laid before you, under which will the widow of the Testator and mother of the two children Aforesd. claims an Annual dower of £10 out of the said Estate, I have further laid before you A Certificate from the Agent by which it appears that sd. moiety was not sold subject to any part of sd. Annuity, nor to payment of any arrears or incumbrances to the State or any other person—Having thus stated all the facts respecting this my claim I beg leave to request that A patent may be granted conveying the land And premises to me in the manner and upon the terms whereon the same was purchased or if the State should prefer it that sum should be returned me equol to the purchase money receiv'd into the Treasury and interest since, either of which will be satisfactory to him who has the honor to be sir your most

Obed Servant—

To His Excellency The President and The Honorable The Supreme Executive Council of the Commonwealth of Pennsylvania.

Gentlemen

Having sometime ago presented to your Honorable Board a petition on the subject of my purchase of Francis & William Armstrong forfeited estate in Chester County Permit me now to remind you of and to solicit your determination thereon as soon as it may be convenient.

In addition thereto I beg leave to mention to Council upon searching the surveyor generals Office no warrant or survey appears for this Land, nor any deeds upon record in Chester County.—for which I am led to believe that their only right was that of an old Improvement still subject to the taking out a warrant and payment arrears of purchase money and Interest. If this be the case it is an in berance which I can assure your Honours was not mentioned at the time of Sale, nor do I believe it was known to the agent.

Being persuaded that your Honorable Board will consider me subjected to the above incumbrance I am induced to hope the prayer of the petition will be granted—and am

Sir.

The inclosed Certificates in lieu of mine returned into the treasurers office for the purchase of Confiscated Estates in Chester County—if the Interest due on them is paid at present I would be glad youd. give the bearer Mr. James Henry an order who is hereby authoris'd to receive it. The bad state of Health and the distance I am from Philaa. prevented my coming but hope it can be done without—I am not acquainted with the Laws made for Certificates, in the above situation, or the oath prescribed by it but hope following will answer the purpose—

I am Sir Yours &c

EDW. BOUSHE

This day came before me one of the justices of the Peace for Kent County and state of Maryland (Captn. Edmund Boushe of the Pennsylvania Line) and made oath that the Certificates herein mentioned

1 Viz No. 22 Capt. Peter Gosner of the Pennsa. Line and 2d Regiment for £144 14 9.

No. 864 Lieut, Robert Darlington of the Pennsa. Flying Camp for £21 7 6, No. 220, and 221, of Lieut John Harper Late Brigade Major of the second Pennsylvania Brigade for £35 13 4. he received in lieu of his given to the state Treasurer of Pennsyla. for confiscated estates purchased in Chester County—and that he has not sold them or in any manner disposed of them or any part since—

Sworn before me this 8th day of April 1784.

Sir.

In the ejectment depending in Chester County, lessee of Thomas Barclay pr Procter, for Hog Island, I have had the Honour to be employed by the State, which is materially interested in the Event, on the part of the Plaintiff—The Plaintiff's Counsel have received very direct Intelligence, that Mr. Galloway had united every Title in him self before the War, by regular Conveyances & carried the Deeds to England. Indeed he promised to send them to us; but we are since informed, that it is out of his Power, as we are told that all the Deeds & other Documents, upon which claims of Loyalists have been allowed, are taken in the Hands of the British government & lodged in the office of the Commissioners of Claims, or some office instituted for Govr. Mifflin. the purpose, to prevent improper use being made of them, in attempting to procure double compensation for the same thing, as some one supposed to have done.

We are further informed that upon proper application being made, the Deeds in the present case may be procured; and the Creditors of Mr. Barclay are applying this the British Minister have for that purpose—We apprehend that the attempt to procure them may be rendered more successful by our own government's joning in the Request; and submit to you the propriety of your sending a Letter to the American Minister, or other public agent in London, requesting his co-operation with Mr. Barclay's Creditors, in procuring them to be sent over to this Country. If we can possess ourselves of these Deeds, we have not a Doubt that the Estate will be secured to the creditors of Mr. Barclay & the State exonerated of a very heavy sum for compensation which must be paid if the Land is adjudged against us.—Mr. Martin of London a Partner of John Eddows & William Ellis, is with his Partners, a principal creditor of Mr. Barclay & has taken the most active part in the business of attempting to procure the Deeds & I presume, is the person authorised

by Mr. Ralston, the assigned of the Bankrupt here, to receive the Deeds, if they can be procured. I understand Mr. Ralston expects to send out his power by Captain Soxley, who will sail in about three or four Days.

I have only to add what Mr. Wilcocks & Mr. Tilghman concur with me in the present application.

I have the Honor to be with great Respect.

Your most obedt. hble servt.

CUMBERLAND COUNTY.

ESTATE OF ANDREW ELLIOTT.

A tract containing 178—acres Situate in Middletown Township in (recorded in book A A 10 pa 40) Cumberland County patented 16th Octr—1767.

An Estate during his life in a small piece of land containing about five Acres Adjoining other lands late of sd Elliott on the Wissahickon road seized & sold by the State in the year 1780.

A reversionary Estate in a small piece of land contg. 156 perches situate on the West-Side of The Wissahickon road and on the South Side of a lane extending from Sd. road toward the Schuylkill river the same was seized & Sold by the

Commonwealth in the year 1780 to J. M. Nesbitt Esqr. for and during his natural life only whereas it appears by deed from Fench Franies & Wife to Sd. Elliot of the 4th Febry. 1773. that he had a fee simple therein.

A life Estate in and Annual rent charge of £6 penna. Currency Spring out of a lot & tenement in the City of Philada. left by Clemt. Plumstead to his wife Elizabeth—

Some property forfeited late of sa. Elliot was disposed of advantageously for the Commonwealth some time ago thro my agency under the direction of Council by Agreeing with the assignees of Sa. Elliot for a certain Sum in Specie which was paid by them And applied by me to purchase of Certificates. The Assignees of Abel James to whom this Estate hath been conveyed since Sa. Elliots Attainder have offered one hundred and Sixty pounds prompt payment in Specie for the right of the Commonwealth in the above recited property and I conceive that it would purchase more Certificates Of Depreciation than would be produced by its sale for Certificates at auction and therefore Submit the consideration to the Subject to your Honble Board.

ALEX. M KEEKEN.

Carlisle 10th. Decr. 1779.

Sir:

On looking over such Proclamations and other Papers as have come to my Hands, from the Honble. the Supreme Executive Council of this State, I do not find any mention made of six Men who left this County, soon after the British Army got Possession of the City of Philadelphia, and joined them there.

Soon after my Appointment as an Agent I wrote to his Excellency Thomas Wharton Esqr. all I knew concerning those Men; as this was about two years ago, and before the Act of Assembly for the Attainder of Traitors was made, tis probable my Letter might have been mislaid. Their Names are Alexr. McDonald, Kennet McKinzie and Edwd. Erwin all of Rye Township Farmers. Those three lived on small Farms, which were said not to be their Property, but I do not find that any Person has claimed the Places whereon they lived since they left them, if they are proscrib'd, the Lands may be advertised, and if there are any Claimers they will appear, William Smith blacksmith, William McPherson blacksmith and Hugh Gwin labourer, all of Tyrone Township, these three were were young Men, had no Land.

Thomas McCahan of Tuscarora Farmer went off afterwards, and I have received Information of him having been seen at New York. He was a single Man rented out his Farm, left no personal Estate, I think he ought to be proscribed.

I have very lately discovered a Piece of Land which is said to be the Property of Andrew Elliot late of Philada. Merchant, I believe he had removed to New York, before the War, Quare If I ought to do any Thing with his Land?
Timothy Matlack, Esqr.

Carlisle Feb. 12th. 1780.

Sir:

Some Years ago, when the late Proprietaries of Pennsylvania thought fit to dispose of their Lands, near this Place they were pleased to grant about 200 as. part thereof to the Revd. Danl. Batwell, who, at that Time, was the episcopal Missionary for York and Cumberland Counties, from the Society in England for propagating the Christian Faith in Parts beyond the Seas; the Land was survey'd for him in pursuance of the Proprietary Warrant; he requested me to take Care of it, and prevent the Inhabitants of Carlisle from cutting the Timber, which I undertook, and have done ever since: soon after the Declaration of Independence, the Parson became an active Tory, was apprehended, by a Warrant from the Committee of Cumberland County, and confined in York Goal; after Congress removed to York, the Parson got Permission from that honble Bady to remove with his Family in New York, which he did after having sold his personal Estate. The Timber on his Land suffered very little Damage, until these four last Weeks; Whilest I was attending the Courts a number of People have cut & destroyed the Wood of about 30 as of it, against those Offenders, I have brought Suits in the Parson's Name. Now, Sir, if the Parson is proscribed, and his Land forfeited, my Suits are wrong, otherwise, Right. Your information how this Matter is, will greatly oblidge, &c.
Timothy Matlack, Esqr.

Carlisle July 1st. 1780.

Sir:

I formerly wrote to Mr. Matlack, to know if Andrew Elliott formerly of Philadelphia, late Colector of the Port of New York, was proscribed, for he owns a Tract of Land in this County, also to know if the Revd. Daniel Batwell's Land is forfeited, he had leave of Congress (when that honble. Bady sat at York, to sell his goods, and remove, with his Family to New York.
His Excellency Joseph Read, Esqr.

Carlisle 18th. Dec. 1780.

Sir,

Agreeable to my Promise, when I had the Honor of waiting of your Excellency at Carlisle, I now send Extracts of the Letters I then mention'd, to those Extracts I have to add, that, since that Time, the Inhabitants of Carlisle have destroyed the Timber of Mr. Batwell's Land exceedingly.

The principal Reason of this Destruction I take to be this, the Persons against whom I brought Actions of Trespass last Spring employ'd counsil and on motion of the Defendant's Counsil, and Argument before the Court of Common Pleas in July Term last, the Court ordered a Rule for Security for Costs or non Pross; whereupon, the People, (as I am informed) concluded, that Mr. Batwell had suffered a non suit, this Notion I conceive, and perhaps the advice of their Council, encouraged them to destroy the Timber: there is an Act of Assembly entiteeled "an Act to prevent Trespasses upon the lands of absent persons &c a." of which I was ignorant, at that Time, and I believe the Court also, for it was above six months enacted before it was known here; since I knew it, I have been silent, because I knew not whether Mr. Batwells Land is forfeited.

I have lately, received Information, that a certain John Myer late of Earl Township Lancaster County, went to the English some Time ago, and that he is owner of one full equal undivided moiety of a valuable Tract of Land in Letterkenny Township in this County.

Samuel Lindsay late of Guilford Township in this county went over to the English before the Declaration of Independency he left two or three Tracts of Land in that Township, said to be under a Mortgage, for how much I know not.

When the honble Supreme Executive Council will be pleased to set the Agents right in these matters, so long before them, they will proceed to advertise and sell. I have the honor to be,

Your Excellency's most obedient,
and most humble servant
GEO. STEVENSON.

Lancaster Novr. 26th 1782.

Sir.

I have Rec'd yours of the 4th instant, your request of haveing the Date of the Proclamation specified in which Isaac Gray should have been Attained, is out of my Power to assertain at present, & I fear no such Proclamation ever was. I was appointed an Agent in the place of Mr. Eberhart Michael Deceased, Coll. George Stewart my collogue in office had made the seizure before my time and had contrary to Law Advertized Grays Land together with other Lands he had seiz'd on, to be sold on the Premises, the Honorable George Bryan then Vice Pressident hearing of the Advertisement, wrote up to have the matter put on a propper footing, when Mr. Stewart came to me we then Joind all our seizures together in one Advertisement and held the sale at the Court House at which time I told Stewart I was Doubtfull that Gray was not attained as I had no Proclamation with his name but he assured me he was, I have now wrote to a member of the Honbl. Council to ascertain the matter, and if he has not been I shall make applycation to have him attainted as there is no doubt but he Joind the Enemy, as soon as that is done I must make a sham sale to Vest the title in Mr. Jones but till I am assured from the Honble. Council that he has been allready or till they do Attaint him it will be very improper for me to sign any Cirtifycate.

I am Sir your very Humble Servt.

CHAS. HALL.

Mr. Christopher Baker.

To His Excellency the President and the Honorable Supreme Executive Council of the Commonwealth of Pennsylvania.

The Petition of John Jones of Lancaster County most humbly sheweth.

That your Petitioner some time in the year 1779 bought at public Vendue held at the Court House in the Borrough of Lancaster by the Agents for the Sale of Forfeited Estates, a Tract of land containing about 11 acres and 60 perches situate in Earl Township, late the Estate of Isaac Gray for the Sum of £1320, which your petitioners hath duly paid to the Agents according to Law as appears by Mr. Halls Certificate herewith transmitted to your Honble. Board.

That the said Tract of Land is not yet confirmed to your

Petitioner by Deed, as was promised in the Advertisement for the Sale of said Lands, That upon full payment of the purchase money a Deed would be given as by Law directed, and he is now informed that the said Isaac Gray never was attainted,

That your Petitioner hath since sold the said Land, and bound himself in a Penalty to deliver a Deed therefor to the Purchaser by a certain Day, which is now past, the purchasor is become very importunate for his Deed, and with holds the purchase money from your Petitioner, by Reason whereof he is greatly Distressed—

That the said Isaac Gray hath actually Joined the enemy and was seen and spoken with, in the City of New York, about two Weeks since, by Mr. Henderson of Lancaster County a gentleman well known to the Honble. Mr. Cunningham.

Your Petitioner therefore humbly prays, that the said Isaac Gray may be proscribed in order that the said Land may be confirmed to your Petitioner by Deed.

ESTATE OF JOHN KERSLEY.

Lancaster July ye 17th 1780.

Sir. I Received the directions of the Honourable Council of the 30th of June directing me to Seize on some Land in this Borough late the estate of John Kearsley Deceas'd which I have done, it is all laid off in Lotts and Let on Ground rent at 13 and 14 Sterling a lot, the Tenents are generally poor, I understand there is four Years Rent due on most of the Lots, the most of the tenents complain of the hardships of making up the Rent at the rate of Sterling, and as Council sent me no directions what money to demand, I shall be glad they will inform me at which rate I am to Receive the different kinds of money and how I am to proceed with those that wont pay, as I think some will be foolishly obstonant till they are compedd'd, I told them if they would pay then, I would Receive Gold or Silver or the new State money at the Exchange of 55 pr. Ct. or Sixty Continental Dollars for one of the former, but not one chose to pay at that rate now, but I have directed them all to be prepared at the time I go round among them next, as I should write to the Honourable Council for further directions—I have been last week at Rankin's Ferry and John Cornhouse in the Presence of James Bayley, Esqr. who I got to go with me, confesses that he did convey to James Rankin, but plead, that his Wife did not sign the Deed, and that it was not acknowledged, and likewise that only the half of the ten and a half acres was sold to Rankin, as the Ferry and Premises was to be in partnership, which he proves by the agreement between them, a Coppy of which I herewith send, he likewise shew'd us Rankins Bond of the same date for fifty two Pounds ten shillings and says the improvements which is a Squared log House, and Round log Stable, are of his Building, as Built at his expense, but says

Rankin was at great expence in getting Roads laid out—If Council thinks the Place should be sold they will please to inform me, and I will advertize and sell as soon as possible. There is no other estate that I know of in this County to sell except a small Gravil Island near McChesnts which Rankin took up for a fishing place, but I don't think it would bring more than would pay for Advertizing and the Cryer.

I think it is about a year ago I informed Council of Jacob Boyer of Denegall Township Farmer and Abraham Bare (I think) of Earl Township being gone to the enemy. Boyer went away in February 1778 and Bare took some Hessian Prisoners into Philadelphia when Genl. How was there, he came back and Judge Atlee hearing of him Issued his Warrent for him, but he was not taken and went off again and was not heard of since but as they have not been Proscribed, I could make no Seizure, I am your Excellency's

Very Humble Servant,
CHAS. HALL.

Lancaster, February ye 8th 1781.

Sir:

Agreeable to the Order of Your Honourable Board of the 16th of January. I herewith send an account of the Confiscated Estates that remain unsold in this County, with a discription and valuation of them as near as I can—first a Plantation situate in Mannor Township call'd the Indian Town, said to contain five hundred Acres, with two Log Houses Ba—&c. the Land very good, and generally thought to be worth twenty Pounds pr. Acre, seiz'd on by Order of Council—second, thirty seven or eight lots of ground situate within the Borough call's Mussers town—late the Estate of Doctr. John Kersley, the Lots are on ground rent at thirteen Shillings a Lot, no Rents has been paid for three Years past, this was seizd on by Order of Council likewise.

Third, A Stony piece of Land adjoining Rankins Ferry, the Quantity unknown but worth very little, Doctr. John Harris claims it by virtue of an old right, I understand he has enter'd his claim before the Honourable the Judges of the Supreme Court, and has had a peice adjudged to him in York County oposite to this, on the same claim.

Fourth, Rankin's Ferry, I formerly sent a coppy of an agreement between Rankin and John Cornhouse to Council, which shews they were to be in partnership in the Land &

profits of the Ferry that Cornhorse had, Received no money from Rankin, which he prov'd by shewing Rankins Bond of the same date with the Agreement, and further says he has been at all the expence of the improvements His Excellency when in Lancaster said he thought it was as well to drop it.

Fifth, A small gravil Island in Susquehanna which Rankin took up for a fishing place, but very poor even for that, and would sell for very little if anything more than will pay the Cryer.

Sixth, Eighty seven Acres of Land in Denegall Township late the Estate of Jacob Boyers, the Valuation you will see by the inclos'd coppy of an agreement, the Original with the Deeds being in the Hands of Martin Nessley of Mountjoy Township, who will not deliver them up without being compell'd to it, Abraham Ream the Purchaser wants a Deed, I shall be glad if Council will send me instructions what to demand if the sale is allow'd to be good, I told him I thought he could not expect a Deed till he paid the two hundred and twenty five Pounds either in Specia, or State money.

Seventh, Abraham Bare lately attainted, had his Father Alive at the time he Join'd the enemy who since died intestate, leaving a considerable estate, th oldest son administer'd but has made no Return to the Office. I therefore call'd an Orphans Court, I gave the sub Sheriff some directions when he went to serve it, he brought the inclosed paper which shews there is something considerable as it is not likely they have allow'd him more then the Law will.

Eighth, Thomas Carr was sometime ago convicted of Misprison of treason at Cumberland Court it is but lately I got inteligence of it and have not yet been to make Seizure, he was possess'd of either two or three fifths of five Hundred acres of Land in this County on Conewago Creek on the Road leading to Harris's Ferry. I hear he has made his escape from Cumberland Goal, I shall make further inquiry about it and if I find it so shall give Council notice of it.

I am with Due Respect

Your Excellencys very Humble Servant

CHAS HALL.

ESTATE OF JAMES RANKIN

Lancaster May ye. 28th. 1779.

Sir—

The 22d. of Last Month I made Seizure of A House and five Acres of Land on Susquehanah as the Property of James Rankin Late of York County, with A ferry over Said River known by the Name of Rankins ferry. But John Cornhorse Says the Place Belongs to him he Likewise Says that he Bargin'd with Rankin for five Acres seven or eight years ago and was to have had ten Pounds pr. Acre, but as Rankin Paid no Money to him he never made any Conveyance. Likewise I made Seizure of a Peice of Stony Land Adjoining the above But I could not come to the Knowledge of the Quantity —John Cornhorse Says Rankin took it up and had it Survey'd about Seven or eight years ago—

I gave Cornhorse Notice to Attend at Lancaster and Make his Claim Good to the Justices of the Supream Court, But I did not hear that he Attended—And on the 14th. instant I Seiz'd on a tract of Land on Susquehanah Near Ester Town, Containing three Hundred and Eighty Acres, As the Property of Alexander McKee, Said Land was formerly the Property of Thomas McKee who Died intestate, and Left a Widow and I think five Children (Alexr. the Oldest) James the Youngest who now lives on the Place and inform'd me when I Seized that he expected to hold the Land as Heir at Law, as he could make it appear that his Father and Mother was not Married till after the Birth of the Rest of the Children—I Some time ago Sent a Letter to the Honorable George Bryan Vice President, informing Council of A Pattant I Got among the Papers of Christian Vought, and Desireing the Directions of Council what I am to do with it, I Have Recd. no directions Since, though Captn. Hambright Says he thinks they where made out before he Left Philadelphia

I am Sir Your Humble Servent

CHAS. HALL.

P. S.—I Did not Know of the within Mention'd Lands till a Short time Before I Seiz'd or I Should have done it Sooner. Captn. Simpson Came and Gave the information of Rankin's

Sir

The bearer is John Brubaker who purchased of Charles Lyng real estate of John Rine an attainted traitor Situate in Earl Township Lancaster County which was sold by the agents of forfeited estates & purchased by Lyng. By a Conp de main played by two of our justices & persons who Set up a claim to the estates as the representatives of Michael Rine the father of John to whom they alledge no conveyance was made by the father they have carried into effect in the County an inquisition of forcible detainer by which he has been turned

out of possession & been obliged to institute an ejectment which is pending for trial at our next Court of Nisi Pruis. The defendents bring forward this claim of the representatives of Michael Rine the father of John Rine on the validity of which claim the event of the Suit will rest. Under these circumstances it seems the present is the moment when the interest of the Commonwealth requires the Situation of this property which they are bound to guarantee to be noticed to their representatives that he may have an opportunity of carrying into effect the spirit of the resolution of the executive Council of the 9th. of April 1787 on the petition of Charles Lyng respecting this property. Whether the immediate object of this resolution a title under the Sheriff can be combined with the ground of defence above mentioned I cannot Say from my present knowledge of the business but as the other appears to be seriously made & would if carried into effect be equally prejudicial to the interest of the government it seems to me that the resolution alluded to calls for the interference of the officers of the State in the one case as well as the other.

You will please therefore at the instance of Brubaker to make Known to the Governor the contents of this representation that he may determine whether the interest of the Government does not require that the Attorney General should be requested to defend at the instance & compensation of the State the present Suit & whether the papers essential to support the title derived from the act of the Government should not be furnished gratis. It will at least obviate all difficulties to his return to the treasury in case the event should be adverse

The papers we want from the minutes of the Executive Council are

1st.—The appointment of the Commissioners or agents of forfeited estates.

2nd.—their return of Sale & Copy of their certificate of the payment of the purchase money.

3rd.—Their order of confirmation & resolution to execute a deed.

If possible we should have the advertisement of the agents of the Sale if anything of the Sort appears in the minutes or any notice taken of it in any of the proceedings of Council let it be certified

You will readily preceive the necessity of these papers duly

authenticated when you take into view the special authority deligated to those agents

I am Sir
With much respect
Your most obedt. Servt.
JAMES HOPKINS.

ESTATE OF JOHN RUBEY.

Copy.

John Rubey, a Native of Reichenbach in the Canton of Bern in Switzerland, removed to the Dutchy of Deux pont, & after some Years, about the Year 1742, came into pennsylvania. He purchased a Tract of Land of William Adams in Brecknock Township, Lancaster County, Containing 100 Acres & resided thereon untill his Death—May the 5th. 1763. John Ruby makes his Will, but does not mention his real Estate therein nor appoints any Executors—

Septr. 13, 1765 Letters of Administration with the Will annexed Issued to Anna Barbara Ruby his Widow.

June the 13th. 1765. Wm. Adams obtains a patent for the above 100 Acres of Land—

October the 21s. 1765. Anna Barbara Ruby the Admx. dying about this Time, Letters of Administration Issued to Nicholas Johns & Philip Brendle on her Estate.

July 5, 1766. Wm. Adams & Anna his Wife convey the above 100 Acres of Land to Nicholas Johns & philip Brendle in Fee Simple in Consideration of £15—

Same day Johns & Brendle execute a regular Declaration of Trust confessing, that the £15 mentioned as the Consideration Money of the Deed was paid by John Rubey & that the Deed was executed by Wm. Adams in Trust for the Use of the Heirs of John Ruby (Recorded at Lancaster) Same Day Johns & Brendle execute an indemnifying Bond to Wm. Adams on Account of his having given them the Conveyance.

March the 13th. 1767. Johns & Brendle pass their Administration Account in the Registers Office, whereby there appears a Ballc. of £24 19 10 in their Hands due to the Heirs of John Ruby—

Lancaster July the 26th. 1781

Sir,

We are honoured with Yours of the 23d. Instt. We should have wrote at the same time with Mr. Hubley, but Mr. Charles Hall having been present at the Trial, and we having seen his Letter to your Honorable Board with a State of the Case drawn up by Mr. Yeates, a Copy of which we inclose, which we believe to be strictly true; we thought it unnecessary to give Council any further Trouble. It appears to us, that the Lands are escheated to Government for Want of Heirs, and it would perhaps be best for the parties, that the Lands were seized on by the State; for the parties will keep each other in Law as long as they can; If at a future Day any Heirs should appear, there is no doubt Government would do them strict Justice—

We are
Sir
with due Esteem
Your very humble Servants
PAUL ZANTZINGER
WILLIAM HENRY

His Excellency Joseph Reed Esquire.

Lancaster July 27th. 1781.

Sir,

Mr. William Henry having shewn me Your Letter of the 23d. Instant on the Subject of Rubeys Estate; and at the same Time informed me that Mr. Baily being on his way to Philadelphia Mr. Zanzinger and himself had just Time to send with him the Case as stated by Mr. Yeates for Mr. Hall. I beg leave just to inform you, that the State of Facts which I heretofore aquainted you with were drawn up, at the particular desire of Mr. Henry and Mr. Zanzinger and by them considered as done truly before I sent them to you.—I had not an opportunity of Seeing the Facts stated which Mr. Hall has sent you before to day and I observe therein it is said that no Claim has been made since 1763—This is erroneous as the Letters wrote by the Heirs are directed to Nicholas Johns and Philip Brendle, who had nothing to do with the Estate till the latter end of 1765—John Rubey made his Will and died in 1763—His widow managed the Estate during her Life and after her decease on the 21st. October 1765. Administration of her Estate was granted to Nicholas Johns & Philip Brendle —They wrote Letters to Switzerland and the Heirs and the Parson of the Parish where they live, wrote Letters in return, which could not be untill some Time in 1766—You will please to understand that all the Papers, Letters &c respecting this Estate were loged with Nicholas Johns in his Life Time and after his decease, came into the Hands of one of his Sons in Law and are now in the Hands of Mr. Yeates and I cannot give you any of their Contents as they don't choose to Shew them, Yet the Person who read them for Mr. Yeates says that he thinks that some of the Letters bare date as late as 1769—It is also stated by them that Johns and Brendle passed their Admion Acct. in which a Balance of £24 19 10 was in their Hands for the Heirs of Ruby—It is true that there was such a Balance but it was realy and truly in the Hands of Johns only, who was the keeper not only of the Papers, but also of the Money belonging to the Estate and Brendle has since Accounted for all the Monies that have came to his Hands and Credited himself for the Expenses of building a House payment of Taxes &c which brings a balance in his favor of £26 16 7. However I think these Matters are of no further Consideration than to shew that there are Heirs and Money is due to the present Landlord Brendle, which he ought to be reimbursed should the Estate be taken out of his Hands.—The principal Consideration before Council will be

whether they think that Rubeys Estate is Escheated, and if they are of that opinion whether they will claim it imidiately as such, or wait a future day for that purpose—Or more principally whether they mean to prosecute their Claim (if any they think they have) under Mr. Yeate's allegation that they hold under the Landlord by Deed since the Commencement of the Lease.—I am

Sir with great respect
Your obedient & very hble Sevt.
JOHN HUBLEY.

We have perused the above Letters and are of Opinion that the facts mentioned therein are stated truly.—

WILLIAM HENRY.

Sir

The tract of Land represented by the inclosed Drafts marked A to E inclusive, I find have been forfeited to the State of Pennsa. by the Attainder of Andw. Allen in 1778, and are to be disposed of by Auction agreeably to Law—

The late Supreme Executive Council generally directed the respective Sales by special order, as this amongst the other powers of the late Council devolve on your Excellency, I make this representation on the subject—

These are valuable and chosen Tracts and I have no doubt will command a good price, the present proposed roads will pass them and give them an additional value—

The time of the late Agent of Northampton County John McNair Junr expired with other appointtments of the Executive on the 1 September last; so that an Agent remains to be appointed if your Excellency should direct the Sales—

JNO. McNAIR, jr.
Agent.

Sir.

In Septr. 1778—I purchased at the agents sales Northampton County for the Right reverend Bishop White seven tracts of land sold as the forfeited Estate of Christian Huch and which had been morgaged to him for such a sum decreed by sup. Court as with interest tile time of sale amounted to £1482 16 11 Spence—as that was all true property that he expected to satisfy his mortgage the Doctr. authorized me and I accordingly bade them up and they were struck off and conveyed to him by Deed from the late Council at the amount of his debt as aforesaid, since that however he hath informed me of another tract not yet sold which was also included in the same mortgage—and remains yet to be sold—Doctr. White wishes as the sum aforesaid was more than the value of all and as it was only a mistake that the remaining tract was not returned to be sold at the same time which if it had been done would have been included in the same sum of Purchase money that the residuary tract may be conveyed to him likewise free of additional charge—If it can be done under the curcumstances—I can with truth declare that the sum aforesaid is more than twice the amount which at that time would have been obtained for the same seven tracts sold had it not been for Doctr. Whites offer and that in the said offer he was regulated as he mentioned at the time not by the value of the land exposed for sale but by the amount of his debt depending thereon for payment.

With great respect I am your Excelly. Most Obed. Servant,

JNO. NICHOLSON.
March 12, 1793.

His Excelly. Thos. Mifflin, Esqr. Gov. Penna.

Sir.

The following tract of land late the Estate of Christian Huck and forfeited to the Common Wealth by his attainder for Treason remains to be sold for which you will probably think proper to direct the agent of Northampton County viz. a tract containing 301 141-160 Acres surveyed in virtue of a warrt. dated Aug. 21, 1776 to Kernette McCulloch, who conveyed the same in fee to Christian Huck aforesd. Augt. 24, 1776 in Northampton County adjoining other land late of sd. Huck & forfeited as aforesd. & heretofore sold by the state in 1787.

This is one of Eight tracts which was mortgaged to the right Reverend Doctr. Wm. White and the other seven sold as aforesd. were purchased by him at more than twice the sum they would have been struck off at to any other purchasor, or then he would then have given had he expected any other resource for payment as he did not he instructed me not knowing that his mortgage included this also to bid them up for him to the amot. of his decree for the same which was done thro the Agent—and now that he hath discovered this tract remains he expected to obtain a title thereto also at first without farther consideration but in as much as no tittle can pass to him without a public sale he hath consented to bid that in also for as low a consideration as he can—had not the mistake taken place by him respecting the tracts mortgaged he would unquestionably had the whole at the same price as the part sold but as it is I cannot think it can be done in any other way than by a sale as aforesaid at which he may become the purchasor.

I have the honor to be with great respect your Excellency most obed. humble Servant.

ESTATE OF GEORGE NAPPER.

To his Excellency Joseph Reed Esqr., President and the Honourable the Supreme Executive Council of the Commonwealth of Pennsylvania.

The Representation and claim of John Brown, of the City of Philadelphia Cabinet-maker, on behalf of George Napper, late of the said City Loaf Bread Baker.

Respectfully sheweth,

That some time in the Winter in the year 1778, George Napper went from the City to accompany an antient Friend well known by the Name of Thomas Gawthrop on his Return to Great Britain, whilst the British Army was in the possession

of Philadelphia. That he never aided assissted or abetted them any other Ways than in the course of his Trade and Business, which he was necessitated to do for his Subsistance. That he left the City with the Concurrence of the Society of the People called quakers, as appears by the annexed Extract of a Minute taken from their Meeting Book which is evidence in Law. That he would not have obtained a Certificate, from that Society of People had he been aiding and assisting the Enemy, is also evident from their common Practice. From these proofs and Circumstances it cannot be inferred from the Laws or in strict Justice implied that George Napper has forfeited his Estate to the Commonwealth of Pennsylvania for any act of Treason committed by him against this or any of the United States of North America. And therefor I the Subscriber do beg Leave to put in my Claim on behalf of George Napper as an absent Person, for the House and Lot of ground on the West side of Delaware Front Street in the City of Philadelphia, advertised by your agents on the fourth day this Instant, October, to be sold as a forfeited Estate and pray your Honours to take the matter into consideration and be pleased to give Orders to your agents, to postpone the Sale thereof until the said George Napper shall approve himself a Friend and Citizen of this, and of the United States, to your Satisfaction when ever it shall be in his Power so to do, and that himself and children may be permitted to enjoy the Premisses, in the same manner, as other good Citizens are intitled to, is the sincere request of one, who of right ought to enjoy all the benefits and privileges of a Free and Independent State.

October 1st, 1779.

JOHN BROWN

At a monthly meeting of Friends in Philadelphia held for the Northern District on the 26th, 1st mo. 1779

Joshua Howell & Isaac Cathrall are "desired to make inquiry respecting the conduct and conversation of George Napper & the settlement of his outward affairs & if no obstruction appears to prepare an Essay of a Certificate for George his wife and Daughter to Friends in Bristol, as requested by him in Letters from New York.—It appearing that he embark'd last winter with the concurrance of Friends here, as a Comparison to our Esteemed Friend & that a Certificate could not be obtain'd from this meeting in due time to accompany him, & the Captain of the Vessel in which he was returning from

England, and other difficulties has prevented his coming to this City as he intended."

Sir.

On a late Enquiry before the Excheator General on an Information of John & Jacob Ware against the Estate of John Parrock deceased it appeared to the Inquest that the Estate paid Parrock had been forfeited by the Attainder of said Parrock to the Commonwealth and that the life Estate only of said Parrock had been sold by the Commissioners forfeited Estates altho' it appeared to us that the Estate in fee was vested in him—As he was afterwards pardoned and made a will which was duly proven we could not find that he died intestate, but as it appears to us that there is a very Considerable Estate which belongs to the Commonwealth a part of which is held by those who purchased only the life Estate of said Parrock, we Submit to your Excellency the state of the Case that Such measures may be taken on the part of the Commonwealth as to you therein may appear just and proper and are with great respect.

Your Excellencys Most Obedt. humble Servt.

GEORGE SMITH, Agent P. C.

Honored Sir

I was appointed to the agency by the Counsel when that honorable Board was formed into a Counsel of Safety, and when the Enemy left the City of Phila. I began to do the office of agent in searching for and seizing all the property of persons forfeited and for the first 3 months had the most difficult, laborous and disagreeable task I had ever undertaken. However the agents flattering themselves that resolution in the outset would make the business easy in the end, and the Public cause would receive benefit by their Exertions.

By the order of the Counsel of Safety the agents were allowed 5 p ct Commissions on all personal property seized and sold together with reasonable charges and by the act of Assembly passed at Lancaster March the 6th, 1778 the Honorable the Executive Counsel are impowered to make any allowance for the Expences of the agents that they may think proper.

Now what I would wish to inform Counsel, is that I had a family of not less than fourteen in number whose support depended on what I might earn.

And that I did no sort of business except that of searching for, seizing and making inventories of goods belong to Persons proscribed in the 3 months above mentioned, that after that period I occasionally persued my profession of an Artist but was so often called on to the Business of the agency, that the business of Portrait painting was very much neglected, and I disobliged many who wished to employ me in that line.

My request is that the Honorable Executive Counsil will be pleased to make such allowance for my expenses as they may think reasonable for the services above mentioned.

I have here with enclosed an account of Particulars of what monies passed through my Hands belonging to the agency, also a general account with the Sums to be filled up and Ballenced in such manner as the Honorable Counsil may think reasonable which is the whole amount of sales previous to Oct. 1779 the time of taking my seat in the Assembly.

I am most honorable Sirs with the Highest respect your most obedient

Hbble. servt.

C. W. PEALE.

Sales May 28, 1871.

Lancaster March ye 20, 1782.

Sir.

I Received your favour of the 20th ult but not till last Sunday, yesterday Mr. George Ross of this town came and gave information that his Father had in his Life Mortgaged part of his Estate to Joseph Galloway, that the money was not paid, and that it now amounted with the intrest, to upward of two thousand pounds he says he but lately came to the knowledge of it and Desires to be Considered as the Informant.

I think more might be Discovered as I am now furnished with a list of all the traytors by serching the Office, but as it will be attended with a great Deal of trouble the Recorder ought to be paid for it, and I have no money in my hands, but have been doing the Public Business those two years past out of my own pockett, as soon as I get money I shall make the Nessesary serch which may be a saving to the State, you will please to send me your Directions in the case of the above information.

I am Sir your Obt. Servt.

To the Honourable the President & Executive Counsel of the Commonwealth of Pennsylvania.

The Petition of John Johnston of the Township of Upper Merion in the County of Philadelphia.
Most Humbly Sheweth.

That in the year 1776 your Petitioner became bound for a Certain William Bell then of Chester County to one Peter Mat-

son of Upper Merion in the Sum of one hundred pounds, which Bell borrowed to discharge a Mortgage that was on a Tract of One hundred & twenty five acres of Land in Upper Merion which the late Father of said William devised & left to him, he discharging sd. mortgage, that in the Winter or spring of the year 1777 said Bell was unluckily decoyed into the City of Philadelphia and there remained till the enemy left the City & being afraid went off with them to New York that I am Sued for said one hundred Pounds & near seven years Intert. Due thereon, that the Sheriff hath my goods now under Execution for the Same, that I applied to the Honorable the Judges of the Supreme Court at their last sitting & obtained a Decree for said debt & costs and damages, your distressed Petitioner most humbly Beseeches and Prays that your Honours may be pleased to take my case into consideration, as said William Bell hath long since been proscribed & hath left an Estate more than Sufficient to pay all his debts, to give orders to sell the same to discharge the Just debts that are against it, or to order the payment of the sum Contained in the Decree which I have obtained or by any other method which to you Shall Seem fit so as I may be discharged, I am an old man & have been grievously Plundered by Earl Cornwallis & his followers and if my Few remaining goods and Stock must be sold to discharge said debt & costs I will be ruined & broke, but hoping and confiding that your Honours will of your Clemency & goodness to the distressed Take my case into your serious consideration and grant me such relief as to you shall seem just and Reasonable and your Petitioner as in duty bound shall pray &ca.

JOHN JOHNSTON.

In General Assembly.
Wednesday March 19-1783 A. M.

The Committee appointed March 12 on the petition from John Johnston, made report, which was read, and on motion and by special order, the same was read the second time, and adopted as follows (viz)

The committee to whom was referred the petition of of John Johnston being instructed to confer with the Supreme Executive Council upon the subject matter thereof having performed that service, beg leave to report.

That it appears to us that John Johnston the petitioner on the seventeenth day of September 1776 became bound with and for William Bell in the sum of one hundred pounds, that said Bell was afterwards attainted of High Treason, and his Estate confiscated, it also appears from the proceedings of the Supreme Court that Joseph Dean on the twelfth day of April 1779 presented his claim against the Estate of William Bell and having proved to the satisfaction of the Court that before the attainder of the said Bell, he the said Dean had bought a certain tract of land from him, the said Bell, and paid him four hundred pounds in part of the purchase money, and obtained a decree in his favor that upon his paying the remainder to Council he should have a Deed executed for the said land.—the order of Council is herewith submitted—from a vough calculation there appears to be about £240 of the purchase money yet remaining unpaid—from this state of the facts your committee are induced to submit the following resolution.

Resolved, That the Supreme Executive Council be and they are hereby requested to take effectual order therein so as to have the sum and sums of money due and owing to John Johnston (as specified in a decree of the Supreme Court issued in his favor bearing date September 26, 1782) fully paid and

satisfied out of the remainder of the purchase money due from Joseph Dean agreeable to the decree of the Suprme Court.

Be it remembered That on the twentieth day of October in the Year of our Lord one thousand seven hundred and seventy eight at Philadelphia Sarah Growdon Widow of Lawrence Growdon late of Bucks County deceased exhibited her Claim before the Honorable Thomas McKean William Augustus Atlee and John Evans Esquires Justices of the Supreme Court of the State of Pennsylvania in the following words to wit.

"To the Honorable Thomas McKean Esquire Chief Justice of the Supreme Court of the Commonwealth of Pennsylvania."

The Claim of Sarah Growdon Widow of Laurence Growdon late of Bucks County in the said Commonwealth Esquire deceased giveth your Honor to understand and be informed That the said Laurence Growdon being in his life time seized and possessed of a very considerable Estate real and personal did make his last Will and Testament in writing and therein and thereby did (inter alia) devise and bequeath in the words following to wit "Item I give and bequeath to my dear wife Sarah Growdon an annuity of two hundred pounds pr. annum during her natural Life," and did therein and thereby devise in the Words following to wit "Item all the Rest Residue & Remainder of my Estate real & personal whatsoever or wheresoever which I have or ought to have I do give and bequeath unto my two Daughters Elizabeth Nicholson and Grace Galloway to be equally divided between them share and share

alike to hold to them and their respective Heirs and assigns equally for ever as Tenants in Common and not as Joint Tenants and of the said Will did constitute and appoint your said Claimant a certain Thomas Nicholson and Joseph Galloway Executors and afterwards died That after the Death of the said Laurence Growdon the said Joseph Galloway in Virtue of an intermarriage therefore had and solemnized between the said Grace Galloway the Legatee in the said Will named and himself became entitled to and possessed of all and singular the personal Estate in and by the said Will devised to the said Grace and being the only acting Executor under the said Will all the rest of the personal Estate of the said Laurance Growdon came to the Hands and possession of the said Joseph Galloway and that he hath not yet settled the Accounts as Executor of the said Estate. That by an Act of Assembly of this Commonwealth for that purpose lately made and provided the said Joseph Galloway is declared attainted of High Treason and all the real and personal Estate which he had and held in the said Commonwealth declared forfeited subject to the payment and satisfaction of the just claims and Demands that may be made thereon. And your said Claimant giveth your Honour further to understand & be informed that there was on the first day of October instant a Ballance due from the said Joseph Galloway as Executor and possessor of the personal Estate of the said Laurance Growdon deceased the just and full sum of six hundred pounds lawful money of Pennsylvania no part whereof hath hitherto been paid or satisfied unto her—And your said Claimant giveth your Honor further to understand and be informed that by Virtue of the said recited residuary Devise the said Joseph Galloway and Grace his wife became seized in her Demeshe as of fee of and in one Moiety of all and singular the Messuages, Lands and Tenements which were of the said Laurence at the time of his Death into which Lands and Tenements the said Joseph in Right of his said Wife entered and was thereof seized subject as your said Claimant is advised to the Right of Dower of your Claimant of the Endowment of her said Husband and the said Joseph Galloway the Rents Issues and Profits of the said Lands and Tenements from the Time of the Death of the said Laurence Growdon hitherto hath received and taken to his own use whereof your said Claimant hath received nothing But because the yearly value of the Rents Issues and Profits thereof are not ascertained your Claimant cannot now render an account of the sum in arrear and on that account due to her.

To the honorable the Supreme Executive Council of the Commonwealth of Pennsylvania.

The Memorial of Sarah Growdon Widow of Laurence Growden late the Bucks County, deceased respectfully sheweth.—

That your Memoralist lately preferred her Claim to the honorable the Supreme Court of this State setting forth that her late Husband Laurence Growden died seized and possessed of a very considerable real & personal Estate having by his last Will and Testament bequeathed your Memoralist an annuity of Two hundred Pounds pr. annum during her natural life and having devised all the Residue of his real and personal Estate to his two Daughters and only Children Elizabeth Nicholson and Grace Galloway and appointed your Memoralist Thomas Nicholson and Joseph Galloway Executors of the said Will that before the Death of the said Laurence Growden the said Joseph Galloway had intermarried with the said Grace the Legatee in the said Will named and in virtue thereof became entituled to all the Personal Estate devised or bequeathed to the said Grace and being the only acting Executor—all the rest of the personal Estate of the said Laurence Growden came to his Hands and Possession and that he had not settled the Accounts as Executor of the said Estate—That a considerable sum was in arrear for the said Annuity—and praying that a Decree might pass against the Estate of the said Joseph Galloway who then stood attainted for the said Arrears and that Provision might be made for the Payment of the same out of the Estate in future and during the life of your Memoralist and also that reasonable Dower might be allowed her for the real Estate whereof the said Laurence Growden died so seized all which was decreed accordingly and a Rule of the said Court made appointing Commissioners for estimating the annual value of the said real Estate—a true Copy of the return of which said Commissioners is hereto annexed—That by the same Return it appears that the annual Value of the whole real Estate of the said Laurence Growden which came to the Hands of Joseph Galloway aforesaid in Right of his said Wife amounts to the sum of thirteen hundred and twenty three Pounds—That one third thereof to which your Memoralist is entitled in Right of Dower amounts to £441—That the one half of the said annuity is also chargeable on the same Estate to the amount of £100 (the latter she apprehends exclusive of all Taxes ought to be paid her Yearly) which said Sums together will make £541—That the Plantations in the Annexed

Copy of the Return distinguished by the Names of Belmount Richlieu & Kings Place are estimated together at the Yearly value of £586 which will probably be about the Sum to which she will be entitled she paying proportion the part of the Taxes for the half part of the Annuity above mentioned.

That the Agents appointed by this honorable Board have advertised all the Estate of the said Joseph Galloway in Right of his said Wife in Bucks County for Sale on the 23rd. Instant—That it hath been thought best and mutually agreed on the Part of this State by the attorney General with the Consent of the Court aforesaid and your Memoralist that she should have a particular Part of the said real Estate seperately assigned in right of her said Dower and for the said annuity hold during her natural Life for her sole and seperate Use and that the respective Estate above particularly named approach in her opinion the nearest in point of value to what hath been decreed and agreed she should have and Posses.

She therefore prays your Honor that orders may be issued from this honorable Board directing the agents aforesaid to stay the sale of the three Tracts of Land in the said Return mentioned and called Belmount Richlieu and King's Place untill the court aforesaid may meet and decree her the possession & occupation of the said Tracts or Places if to them it should seem expedient. And your Memoralist &c.

Sarah Growden by Andrew Robeson,
her Attorney.

THOMAS HALE, Agent.

Received into the Secretarys Office the fifteenth day of September 1779.

Philada. August 23d. 1779.

To His Excellency the President and the Honourable the Supreme Executive Council of the Commonwealth of Pennsylvania.

Being favour'd from your Honourable board, with the Perusal of a Petition, from Joseph Greswold Junr. in behalf of his Father Joseph Greswold now said to be on Long Island in the State of New York. Distiller.

Your Petitioner saith his father now and for many years last past hath continually been an Inhabitant of Long Island—whatever he may mean by saying for many years last past and continually I will refer to your Honourable Board to Determine—But I can Qualify to a certainty that I was at New York in March 1775 and repeatedly, at his Fathers House for to get him to Render me an account which he had against Widow Heysham and then his Father lived in New York in Pearl Street where his House & Distillery stood and were I saw at Different times his Father employed in the Still House and one time I saw him, his Wife, Daughter and a Son, at breakfast together in one Room and after several times calling I got the account I wanted. In may following 1775 I went to New York again, and finding a mistake in the account he had given me, I called at his house and found him and some of the Family, living at the same place as above. I called several times at his House as Usual, and I can say with truth, that he hath owned that house for this Thirty years and always occupied it himself and in July or August 1775 said Greswold came into this City, where I saw him, and after some Inquiry, I found he had hired William Masters' Still House at Kingsingten. Mr. Wm. Masters' now tells me that old Joseph Greswold did hire his Still House, for about Twelve Months, were said Greswold and his son lived in the Still House loft, where they Eat, Drank and Slept, and Cooked their Victualls at the fire of the Still and old Greswold paid him the rent, and Mr. Masters also tells me Greswold Kept a store in Second Street next to were John Fromberger now lives, where he kept his Liquors for Sale, and I do declare I have seen him at that store Repeatedly putting casks in and out of said Store, and I am

Clear that he bought Molasses and Distilled it into Rum and Cordials and Sold them. I hope this will be sufficient to prove that the father was a Residenter in this state, and a Considerable Trader whilst in it, and was at the Head of the Business. The following Note is a true Coppy from the Tax Books. It appears in the Tax Books of 1775 that Joseph Greswold of East Northern Liberties was Rated for £28 Rent, which he then received of Thomas Greswold in West Northern Liberties.

Your Petitioner owns his Father rented a Distillery Near this City were he Continued a few Weeks, together at different times, If he had been candid and owned it to hav been a few Months at a time instead of weeks, it would have appered to me to been nearer to facts he also owns his father returned from this place to Long Island before the enemy took possession of New York, here I agree with him his father left this City about the middle of the year 1776 and before the enemy got to New York and when he got there that was the time when he acted so much of an enemy to our Cause, that the said Joseph Greswold was taken up with a number more, and as I was well Informed was either sent to Goal into Connecticut, or held to Bail for good behavior to our Cause, during the War, By the Order of the Authority then in power at New York, when I found Old Greswald was gone from this city and hearing of the above account it led me to ask Isaac Lort the Vendue Cryer the following Questions and his answers to them, as follows, I know Lort to be related to Greswold Vizt. I met with Isaac Lort in the Street and asked him if he knew where Mr. Greswold was, he answered, yes, he with a number more was taken up on Long Island and sent to Goal into Connecticul, by the Convention or Executive Council of New York, what said I for being a Tory, Lort said yes, I believe so, some time after the Enemy got to New York, I met with Lort again in the Street, I asked him then, if he knew where Mr. Greswold was, he said yes, he is got out of Goal, and is at New York. I asked him if he knew how he got out of Goal, he said no, but he is out, and is at New York, this is all I can remember on the two Conversations as above, and to the best of my knowledge can be qualified to it—this appears to me he hath not acted void of Offence towards this Country—whatever he may mean by saying his Country.

August 21st 1779 this day Young Joseph Greswold came to my house and hath confirmed allmost everything I have said concerning his Father by Confessing to me, that his Father hath owned that house in Pearl Street for Thirty years past and always kept it himself and lived in it, he also owns his father came to this City in July 1775 & left it about the middle of the year 1776, he also owned that they lived together at the Still House and his Father paid the Rent, and also had the store in Second Street and his father was all the time, at the head of the trade, they Carried on here, he also owns that he heard that his father was sent to Goal into Connecticut with a number more; By General Washingtons Orders and after the Enemy got to New York he says he was informed that Governor Trumbull gave his Father a Parole to go to his Family, this may be the Case but according to what I heard at or about that time said Greswold with some others, broke out of Goal, and went to the Enemy at New York, and according to Lorts Expression in saying he is out of Goal, and is at New York, the proofs of this last of this matter, will rest with the proper persons, to be applied to in Connecticut, who had them in charge, at that time, or if the Governor gave any such a Parole to Greswold or not—old Greswold and one Son is in New York and from Report of Men of credit they are both Enemy's to our Cause, but the proofs of this cannot be well obtained, I fear till the Enemy leaves it and as for your Petitioner all the Inquiry I have made, about him, I cannot find that he is any friend of our Cause, for I am well Informed he never took the oath to this State, and now applys for Relief under its Laws I have Received the following Note from the Lieutenant Office of this City—July 20th 1779 Joseph Greswold Junr. Dr. to the State of Pennsylvania since the 12th Sept. 1777 in the 5th Class of Militia £37 10 he Promised to pay it but went away and hath not payed it yet & we have been informed of his being in Town Repeatedly, but never could find where he put up.

I have done my best Endeavours to get you all the information I am able, concerning Greswold's Case and I hope it will be satisfactory.

From your very Humbl. Servt. to Command.

WM. HEYSHAM.

N. B. If there be any part you think Proper to be Qualified to, by me, I am Willing to do it, to the best of my knowledge, if you think Proper to have such Parts Coppyd. off & sent to me. August 22d. this day was informed that Joseph

Greswold was admitted on Parole from Goal in Connecticut, to see his Family, for a certain time, and then to return, to his Place of confinement, but never did Return.

Pennsylvania SS.

No trade that I forgot to send in, in that therefore I trouble you with this, that he may not escape any Longer, this from Sir

Your Most Humble Servant.
GEORGE SMITH.

Sir.

I would beg leave to drop a few hints, relating to the Agents office, first with respect that part of Galloway's Estate called Hog Island, Col. Theo. Proctor has laid a Claim to two thirds of it, by virtue of rights obtained by him, of John Reed and the heirs of John Hughs, which rests as I am informed on a mutual agreement, between Read, Hugh & Galloway, that all purchases made by either should be equally divided among the three, that Galloway made the purchase of Hog Island is prety certain, but that he ever fullfilled his Covenant by assigning any part thereoff to Hughes on Read is a doubt secondly with respect to John Clerks Estate. I have no doubt but the right is in Clerk both to real and personal, but I fear it will be difficult to prove it by the best information I have yet obtained the matter stands as follows. the Estate formerly belonged to one Kickmly the Father of the present Occupant. It was sold by the Sheriff, John Clerk at the Sale gave out he was going to purchase for the sd. Kichmly by which means it was knocked off to him at a very low price Some time after (clerk and Kichmby living in the same house) a Quarrel Insues when Clerk with the assistance of the present Occupant drove the poor old man and his

wife out of Doors. he then Sues Clerk for the Estate, upon which a sham conveyance of the Estate was made by sd. Clerk to John Ross Esq. who has since conveyed it to Elizth Miller otherwise Keishmby, there is no proof as yet that Clerk was ever married to the above woman and its said she holds the personal Estate by a bill of sale proms'd Clerk made 6 or 7 years ago. I shall ad a few names for Proscription not being certain they are yet returned to Council.

The Memorial of James Rowan.

Humbly sheweth That your memoralist on the twenty first Day of September last did purchase at publick vendue, at the Sales of forfeited Estates by the agents for the County of Philadelphia three several Lots in Southwark, one of the

Estate late of Peter Arthur, the second of the Estate late of John Tolly & a third of the Estate late of William Roddan, which three lots are more particularly described in three Deeds drawn by the clerk of the sd. agents ready to be executed & herewith presented to your honorable Board that the agents did neglect to receive the purchase Money as well from your memoralist as from most of the other purchasers until of late, when Thomas Hale one of the agents received the consideration money for the first Lot & delivered your memoralist, a certificate & Receipt for the money which are herewith also presented That your memoralist always hitherto from the Day of Sale hath stood recorded as the purchaser of the sd. Lots & hath advertised & offered the two latter repeatedly for Sale without any interruption or dispute until within a few Days past when Thomas Hale began to alledge that he himself was the purchaser of the two last mentioned Lots. That he has accordingly sold one of them (that of John Tolly) to Allen Moore for three thousand pounds which he has received & now calls upon your memorialist to convey the same to the sd. Allen Moore. That your memorialist refusing to do this, he refuses to give the necessary certificates or to receive the money for the two last mentioned Lots. That your memorialist hath tendered the money at the Agents Office to the clerks there and it hath been refused by order, as they say of Mr. Hale. That the Lots, it is true, were sold cheap, but your memoralist was the highest bidder. That he hath been reduced to poverty in the service of his country & he believes that such as know him will not grudge him any fair profits he may be able to make upon these lots.

Wherefore your Memoralist humbly hopes that Council will not suffer him to be made a prey of for the private lucre of their agents: but most humbly prays that you will be pleased to inspect into the Records & proceedings of your Agents and upon being satisfied of the Truth of his Allegations you will be pleased to order that the money may be received either by the sd. Agents or by the Treasurer of the State & that your memorialists Title may be perfected by the Execution of the Deeds to him.

And your Memorialist as in Duty bound shall ever pray &c.
14th February 1780.
